## Head of Talent

brightwheel

Mar 2018 - Oct 2018 · 8 mos

San Francisco Bay Area

The first and fastest-growing mobile platform in the space, brightwheel saves teachers valuable time with easy tools for learning, assessment, communication, and photo sharing. Parents get a beautiful, real-time view of their child's day that helps them participate in their learning + continue it at home. Teachers and administrators can manage their full programs with enrollment, reporting, and even online bill pay. Schools across the globe have fallen in love with brightwheel. We are a world-class team backed by top investors including GGV Capital and Chan Zuckerberg Initiative.
